

August 11, 2010

It has come to our attention that many Subscribers spend time changing the start date for date fields when conducting a search. In an attempt to streamline the process, we will be changing the default start date from 1-year prior to today's date, to 6-months prior. This change will take place on **Thursday, August 12, 2010** and be made for all date fields available for searching
