

PDF Button has been Added to the Print Module

The ability to create a PDF for Detail Reports and CMAs is now available in flexmls.

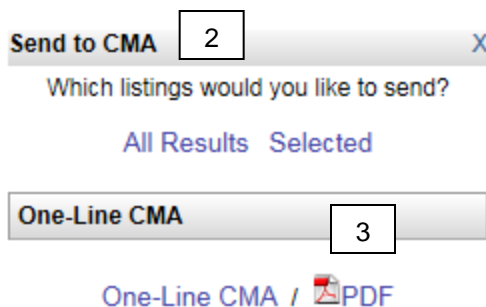

1. From a list of Search Results, click the *Print* button on the upper-right corner of the screen.

2. The flexmls Print module will then be located on the lower-left corner of the page and *PDF* will be one of the options.

1. When selecting the *CMA* button from a list of Search Results, the *Send to CMA* and *One-Line CMA* options will appear.

2. If you choose *Send to CMA*, the *PDF* button will be located at the bottom of the *CMA Finished* tab.

3. For the *One-Line CMA* in PDF format, select the *PDF* button at the bottom of the box.
